Geovana Clea
STARDUST

23 October - 21 December 2015

Visionnaire Design Gallery | P.zza Cavour 3, Milano

Visionnaire is glad to present **Stardust**, a selection of recent works by **Geovana Clea**.

Our planet Earth is our mother source, it's life and energy, and Geovana translates this indissoluble bond into colourful vibrations: from bold colours to shining lights and a vortex of lines and shapes that stand out from the canvas, going beyond the perimeter of the picture, making it an endless masterpiece. Her conceptual abstractism takes us to strongly and emotionally feel new perspectives and panoramas. The use of minerals and Swarovski crystals mixed with the power of transparency that only resin can have create cosmic scenarios and unique inner visions and feelings.

*Visionnaire è lieta di presentare **Stardust**, una selezione dei lavori più recenti di **Geovana Clea**.*

Il pianeta Terra è vita ed energia, nostra origine madre, e Geovana traduce questo legame inscindibile in vibrazioni dai colori intensi, dalle tinte cromatiche decise, dalle luci illuminanti e da un vortice di linee e forme che si stagliano sulla tela in modo totale, andando oltre al perimetro del quadro, rendendo la stessa opera infinita.

Il suo astrattismo concettuale ci porta ad assaporare con vigore ed emozione nuove prospettive e nuovi panorami. L'utilizzo di minerali e cristalli Swarovski amalgamati con la forza della trasparenza che solo la resina può donare, creano scenari cosmici e visioni interiori uniche e ricche di sentimento.
